### DISCUSSION ITEMS:

- Updates
- Public Outreach Update/Discussion
  - 100 attendees, PC
  - 240 attendees, SLC
  - Over 1,000 people visiting website
  - The public meetings were a social event for the project team; we should think about how to include more people in the future and continue the social atmosphere
  - We need the executive board member organizations to help with outreach
- We need to develop a schedule for all the executive board organizations that need some sort of approval or education (ie planning commissions, city council, executive boards, etc) for our milestones
- American Fork is considering a similar effort to Mountain Accord
- The charter is being finalized
